Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) at Mahatma Gandhi University, Sikkim, is a dedicated body established to foster a culture of continuous quality enhancement in all academic and administrative processes. Aligned with the guidelines of the University Grants Commission (UGC) and the National Assessment and Accreditation Council (NAAC), IQAC serves as the cornerstone of the university's commitment to excellence, accountability, and holistic institutional development.

Objectives of IQAC

Quality Enhancement: Promote academic and administrative excellence through systematic planning and evaluation.

Institutional Development: Support the university in achieving its vision and mission through data-driven decision-making.

Stakeholder Engagement: Facilitate active participation of faculty, students, alumni, and external experts in quality initiatives.

Documentation & Reporting: Maintain comprehensive records of academic and administrative activities for transparency and accountability.

NAAC Accreditation: Prepare the University Assessment and accreditation by NAAC and other quality assurance bodies.

Best Practices: Identify, document, and disseminate innovative practices and success stories across the institution.
