## University Library

### Welcome to the MGU Library

The Mahatma Gandhi University Library is the intellectual heart of our campus—a vibrant hub for learning, research, discovery, and collaboration. With extensive collections, modern facilities, and a welcoming atmosphere, our library supports the academic and personal growth of students, faculty, researchers, and the wider community.

### Our Mission

To provide comprehensive information resources, innovative services, and inspiring spaces that empower learners, facilitate research excellence, and foster a lifelong love of reading and knowledge exploration.

### Collections & Resources

The MGU Library houses a rich and diverse collection of resources across multiple disciplines, with special emphasis on the university's core academic programs.

#### Print Collections

**Healthcare & Medical Sciences:** Extensive collection of textbooks, journals, and reference materials on nursing, public health, clinical practices, and medical research.

**Pharmacy & Pharmaceutical Sciences:** Comprehensive resources covering pharmacology, medicinal chemistry, drug development, clinical pharmacy, and regulatory affairs.
